

St Mark's Church

HALL BOOKINGS

St. Mark's Church Centre is a bright, modern building with flexible accommodation suitable for large and small gatherings. It is located in a central and easily accessible position.

St. Mark's has on-site parking for 25 cars and excellent disabled access. The building is one mile from Central Station and sits on a bus route between the city centre and Southampton General Hospital.

ROOMS FOR HIRE

Main Hall: A multi-function room suitable for parties, social functions, meetings, training days and conferences. It can accommodate up to 100 people seated and around 180 standing. This room has a polished wooden floor and the fully equipped kitchen to the rear has a serving hatch opening to the hall.

Small Hall: a carpeted space seating up to 50 people and can accommodate around 70 people standing. The adjacent kitchen has a serving hatch opening to the hall.

Combined Halls: the main and small halls are separated by a wooden screen wall and curtains, which can be folded back to allow the two halls to be used as a single large room.

ROOMS FOR HIRE

Upper Lounge: A carpeted and furnished space with soft chairs and low tables and can seat up to 15 people.

Upstairs Meeting Room: A carpeted space which can be furnished with tables and chairs as required. The room can seat up to 25 people depending on the chosen layout.

Main Kitchen:
contains two cookers,
microwave, fridge and
a variety of crockery,
cutlery and equipment.

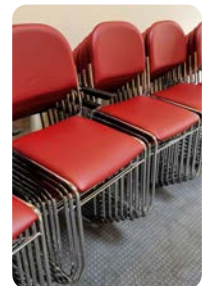

EXTRA INFORMATION

Accessibility Details: An disabled toilet and baby changing area is located next to the small kitchen, and is accessible to hirers using any part of the building. An accessible ramp to the garden area is available to the rear of the building.

Equipment: Additional charges (available on request) are made for the following equipment, which should be booked in advance.

Sound System: Hired with the permission of the church following an introduction to its operation. Allows for the use of microphones in the main and small halls. The system also incorporates a 'T loop' for the hard of hearing. The sound can also be piped through to the speakers in the two upper rooms and the small kitchen (the T loop only operates in the halls).
